

How to find UNL experts to speak to OLLI classes

To find experts in a comprehensive and up-to-date database, go here:

<http://news.unl.edu/experts/>

To subscribe to Nebraska Today, the university's online daily newsletter, go here and fill in your email address: <https://news.unl.edu/subscribe> Scanning the online newsletter will help alert you to new research and expertise that can become the foundation for an OLLI class.

If you need direction from a real person, all University Communications staff with their contact info and areas of expertise and responsibility are listed here (and summarized below):
