IRELAND

IRELAND

It's truly the "Emerald Isle." Dublin...Galway...Waterford...Belfast. The cities are familiar to all of us, but what about Glendalough...Cobh...Blarney...Aran Islands? They reflect the smaller villages and sites that are also important to an understanding and appreciation of this special island. Join this unique private tour arranged specifically for our OLLI organization. Delve beyond the sheep-dotted landscapes, mingle with Dubliners in traditional pubs, pick up a souvenir in Waterford, drive along the Ring of Kerry, experience the austere life on the Aran Islands, appreciate the history and conflicts surrounding Belfast and Northern Ireland's past. We will circle the island to learn and experience the heart of the Irish culture.

September 12: We start our journey from Omaha's Eppley Airfield and an overnight flight to Dublin.

September 13: Today's focus is a **sightseeing tour of Dublin**. Our excursion will include St. Stephen's Green and the Georgian architecture of Merrion Square, a walk down Grafton Street to see the Molly Malone statue, a visit to Trinity College and the Book of Kells, the soaring St. Patrick's cathedral, and even a pint at a local pub in the Temple Bar District. We complete our tour to **Powerscourt Estate**, considered one of the most beautiful gardens in the world, said to rival those of Versailles. We overnight in Dublin. (B)

September 14: Departing Dublin, we travel a short distance to **County Kildare** and enter **Wicklow Mountains National Park**, travelling to the Glendalough Visitor Centre. This is Ireland's largest national park, and the ancient monastic settlement of **St. Kevin** is located at Glendalough. We will continue on to **Kilkenny**, Ireland's best preserved medieval town, where we will tour the imposing 12th century **Kilkenny Castle** which overlooks the River Nore, and also visit the 13th century Gothic **St. Canice's Cathedral**. Overnight in Waterford. (B,D)

September 15: Today we visit several of Waterford's legendary sites. High on the list is the **Waterford Crystal Factory** where we learn about this world-

famous crystal, and have the opportunity to purchase some. We will journey to the **Rock of Cashel**, an outcrop of limestone that dominates the Tipperary Plain. Then, view the ruins of the ancient seat of the **kings of Munster**, see Celtic carvings at **Cormac's Chapel** and explore **St. Patrick's Rock**. Overnight in Waterford. (B)

September 16: This morning we depart Waterford and head toward **County Kerry**. As our motorcoach travels south and west we will experience the many sides of Ireland, from small villages to iconic castles. We will stop in the fishing village of **Cobh**, which once served as a launch site for ships bound for North America. Visit the **Cobh Heritage Centre** to hear tales of Irish emigration. And, climb to the top of **Blarney Castle** to kiss the famed Blarney Stone, said to give the “gift of gab.”

Tonight’s included dinner features talented musicians, singers and dancers presenting traditional tunes and dances. Overnight in County Kerry. (B,D)

September 17: Today we will experience some of Ireland’s most spectacular scenery as we travel the 112 mile coastal route known as the **Ring of Kerry**. We will pass the pristine **Lakes of Killarney** and explore some of the picturesque villages that are on our route. Overnight is again in County Kerry. (B,D)

September 18: Our travels today take us north to **Galway**. On our route there will be a guided tour of the 13th century **Bunratty Castle**, and a stroll along the spectacular coastline of the **Cliffs of Moher**. We will also view the ruins of **Dun Aonghasa**, a prehistoric fort, and enjoy an included lunch at a restaurant on the island. Note: there will be a fair amount of walking today on uneven surfaces. This excursion is weather dependent. Overnight in Galway. (B,L)
