

Welcome the return of OLLI's

SPRING WINERY TOUR

Friday, June 1

OLLI members have been asking when to expect the return of the Spring Winery Tour. The answer: **June 1**. We have a great lineup of western Iowa wineries for our daylong excursion. But first, we'll start the day with a late morning sampling of Nebraska wines at **Slattery Vintage Estates** near Nehawka. Then we travel to western Iowa's **Bodega Victoriana** in Glenwood for sampling accompanied by a luncheon featuring **Spanish tapas**. It's a short distance to **Vine Street Cellars**, also in Glenwood, for our early afternoon sampling. We wrap up the afternoon at Treynor, IA for a visit to **Prairie Crossing Winery**. Then we head to **Silos Restaurant** in Treynor for an included dinner featuring your choice of prime rib, chicken or pork loin. PS: My friend, Jim Danielson, wine aficionado, will accompany us and discuss the finer points of viniculture and wine making.

Gather your friends for this great excursion. **\$135 for the day: four winery tastings, lunch, dinner, motorcoach transportation, driver gratuity. And the best part: no driving!**

\$150 for non-OLLI members
